Experience

- June 2003
to
December 2005 **Beat Street Music Co.**
Sales
A small, locally-owned musical instrument store. I worked as part of a small team working side by side with the owner. I performed a variety of tasks from creating advertising signs to dealing with customers on a regular basis by selling or performing light repairs on instruments.
- June 2007
to
November 2007 **Port City Cafe**
Graphic Design Intern
An upscale restaurant/deli located in Oswego, NY. I created a series of new menus. Examples of which are menus dedicated to catering as well as a children's menu, all while maintaining a unified design throughout. I was also tasked with creating t-shirt designs as well as temporary tattoo designs.
- September 2007
to
January 2008 **Oswego State University Graduate Department**
Freelance Graphic Design
Working as part of a team to create an updated website for Oswego State's Graduate Program. Tasks include creating web pages that have a continuous and recognizable visual theme. Moving current material only available in print into digital files. Researching other graduate sites to create one that includes everything a user would expect to find.
